Alexandria, VA 22313-1450

Sir:

Attached is Form PTO-1449 listing the enclosed citations submitted in
compliance with the duty of disclosure as defined in 37 C.F.R. §1.56.

Request Under Rule 97(c): A first action on the merits has been issued in this
matter, please accept this Information Disclosure Statement under Rule 97(c). The
Commissioner is hereby authorized to charge any fee required to the deposit account identified in
the attached "Authorization to Pay and Petition for Acceptance of Any Necessary Fees" to cover
this fee and proceed to consider this Information Disclosure Statement.

This IDS is intended to be in full compliance with the rules, but should the
Examiner find any part of its required content to have been omitted, prompt notice to that effect

is earnestly solicited, along with additional time under Rule 97(f), to enable Applicant to comply fully.

This Information Disclosure Statement is not to be constructed as a representation that any of the listed citations establishes, by itself or in combination with other information, a prima facie case of unpatentability of any claim in the above-identified patent application. Additionally, this Information Disclosure Statement is not to be constructed as a representation that a further search of the art has been made by the Applicant, or that additional information unknown to the Applicant and relevant to the examination of this patent application does not exist.

Consideration of the foregoing and enclosures plus the return of a copy of the enclosed Form PTO-1449 with the Examiner's initials in the left column per MPEP 609 are earnestly solicited along with an early action on the merits.

Respectfully submitted,
